much
more
than

An Italian story.

Tutto ciò che unisce non può che essere positivo. Sarà per questo che ci attrae l'idea di **diagonale**, quel segmento capace di unire due vertici non consecutivi.

E non è solo **questione di geometrie**, **diagonale** è una regola di composizione nel disegno, nella pittura, nella fotografia.

Ci emoziona il concetto di **diagonale**, di andare obliquo, di procedere di **traverso**. Settant'anni di storia ci hanno insegnato di come non esistono ascensori per il successo. Bisogna prendere le scale. Anche la salita più dura si affronta **una pedalata dopo l'altra**.

Siamo sempre stati disposti al duro lavoro, a partire dalle **basi** e faticare per essere sempre all'**altezza**, per raggiungere gli obiettivi di traverso, in **diagonale**.

Ed è lungo queste **linee** che stiamo scrivendo il nostro futuro.

Everything that unites us can't be anything but something positive. This may be the reason why the concept of **diagonal**, the segment that connects two opposite corners, fascinates us.

It's not just a matter of **geometric shapes**, the **diagonal** is a rule of composition in drawing, painting, photography.

The concept of diagonal, of **going obliquely**, moves us. **Seventy years** of history taught us that there are no elevators to success. You need to take the stairs. Even the most challenging uphill must be faced **one pedal after the other**.

We have always been willing to work hard, to start from the **base** and rise to the **challenge**, to reach our goals diagonally.

And it's along those **lines** that we are writing our future.

Le immagini del presente catalogo sono da considerarsi **indicative**. L'Azienda si riserva il **diritto di modificare** colori e componenti in ogni momento e senza preavviso.

The images in this catalog are **indicative**. The Company reserves the **rights to change** colors and components at any time and without notice.

Cicli Lombardo SpA garantisce tutti i propri prodotti per 2 anni dalla data d'acquisto presso uno dei rivenditori Lombardo autorizzati. Se il cliente è un operatore commerciale (società di noleggio/sharing, servizi di trasporto, clienti con partita IVA ...) il periodo di garanzia è di 6 mesi.

È possibile estendere la garanzia di un ulteriore anno registrando il proprio prodotto sul sito www.lombardo-bikes.com entro i 15 giorni successivi alla data d'acquisto. Dall'estensione sono esclusi tutti i componenti elettronici sui quali vale la garanzia legale della casa produttrice. Il produttore è esonerato da ogni responsabilità ed obbligo per qualsiasi incidente a persone o cose che possa verificarsi per o durante l'uso del veicolo.

Cicli Lombardo SpA può rispondere della sostituzione e/o riparazione gratuita di componenti inutilizzabili o inefficienti (o dell'intero prodotto) previa richiesta presentata dal rivenditore presso cui è stata acquistata la bike e ove risulti oggettiva una non conformità imputabile a difettosità di materiale o di lavorazione. Se non fosse possibile rivolgersi al rivenditore originario, è possibile rivolgersi ad un altro dei rivenditori autorizzati di zona esibendo la prova d'acquisto. In questo caso il rivenditore ha la facoltà di chiedere un rimborso per i costi di trasporto e manodopera. In caso di necessario intervento di garanzia lontano dal territorio nazionale d'acquisto, ed in caso di impossibilità di risolvere il reclamo in loco, il cliente farà pervenire a proprie spese il ciclo presso il rivenditore autorizzato Lombardo dove il prodotto è stato acquistato. Ogni richiesta al rivenditore deve essere corredata dalla presentazione di scontrino fiscale pena l'impossibilità di reclamare la garanzia. L'esercizio e il riconoscimento della garanzia su un componente, o sull'intero prodotto, non ne rinnova il periodo di copertura: il termine di scadenza rimane quello residuale dalla data d'acquisto indicata sullo scontrino fiscale.

Il veicolo non risulta coperto da garanzia nei seguenti casi: danni derivati da sinistri o dovuti ad incuria; manutenzione conseguente ad usura, fatta eccezione per fenomeni chiaramente imputabili a difetti di materiale e/o lavorazione; tutti i casi di rumorosità, vibrazioni e deterioramenti che non influenzano la funzionalità e la guidabilità del prodotto

Per alcune categorie di componenti (a titolo d'esempio non esaustivo: forcelle ROCK SHOX, deragliatori SRAM ...), Cicli Lombardo SpA può riservarsi la facoltà di far riconoscere la garanzia reclamata presso gli appositi centri autorizzati dal produttore.

I seguenti particolari, essendo soggetti ad usura, non sono coperti da garanzia: pattini freno, cavi, guaine, lampadine, manopole, copertura sella, pedali, catene, ruote libere, decalcomanie, camere d'aria, valvole e coperture, corpetto cassetta ruota posteriore, cuscinetti e perni, parti in gomma soggette ad utilizzo continuo (es. tasto On/Off del display, comandi dei remote del display, ...). Fanno eccezione i fenomeni chiaramente imputabili a difetti di costruzione e/o materiale.

Comportano la decadenza del diritto di garanzia: l'acquisto di prodotti usati, la negoziazione e la permuta tra privati, l'acquisto di prodotti presso centri non autorizzati; il naturale deterioramento della capacità di assorbimento della batteria (nel caso di e-bike), l'utilizzo di componenti esterne (es. centraline, acceleratori per e-bikes ...); l'apporto di modifiche strutturali al prodotto e l'alterazione del funzionamento e dell'estetica del veicolo; le riparazioni, le sostituzioni o gli smontaggi fai da te non monitorati dal rivenditore o autorizzati da Cicli Lombardo SpA; l'impiego del prodotto fuori dalle normali condizioni d'uso; la negligenza dell'utilizzatore nella conservazione e manutenzione periodica del prodotto.

Il veicolo non risulta coperto da garanzia nei seguenti casi: danni derivati da sinistri o dovuti ad incuria; manutenzione conseguente ad usura, fatta eccezione per fenomeni chiaramente imputabili a difetti di materiale e/o lavorazione; tutti i casi di rumorosità, vibrazioni e deterioramenti che non influenzano la funzionalità e la guidabilità del prodotto

Cicli Lombardo SpA offers a 2 years (24 months) warranty for all its products since the date of delivery to the end customer (date of receipt) at one of the Lombardo authorized retailers. If the end customer is a commercial user (rental/sharing companies, courier services, VAT user ...) the warranty period is 6 months. It's possible to extend the warranty period of another year by signing up the product on the website www.lombardobikes.com within 15 days after the date of purchasing.

The manufacturer is exonerated from any responsibility or obligation in case of accidents to persons or damages to objects that may occur during the use of the vehicle.

Cicli Lombardo SpA can replace and/or repair for free, the unusable and inefficient components (or the entire product), upon a written request of the dealer where the bike has been purchased. If it is not possible to go to the original dealer, customer can ask to another authorized dealer in the same area by showing proof of purchase. In this case the dealer can request a refund for transport and labor costs. In case of recognized warranty assistance away from the national territory of purchasing, and in case of no possibility of resolving the complaint on site, the customer must pay the cost for sending the cycle to the authorized dealer where the product was purchased. Each request to the retailer must be accompanied by the presentation of the receipt or the warranty claim will be invalid.

The acceptance of the guarantee of a component, or on the entire product, doesn't renew the coverage period: the deadline remains unchanged from the date of purchase indicated on the receipt.

Concerning some categories of components (no-exhaustive example: ROCK SHOX forks, SRAM derailleurs...), Cicli Lombardo SpA may reserve the right to recognize the claimed warranty in specialized centers by the manufacturer.

The following components are not covered by warranty because subjected to wear : brakes paddles, cables, cases, lights, grips, pedals, chains, freewheels, stickers, tires, tubes, valves, rubber parts of display (eg. On/Off button, remote controller buttons...), bushing, bearings and screws, bodyhub cassette of rear wheel. An exception to this could be all those cases that are clearly attributable to manufacturing and/or material defects.

The warranty will be void under the following cases: the purchase of used products, negotiation and exchange between private parties, the purchase of products from unauthorized centers; the natural deterioration of the battery capacity (in case of e-bike), the use of external components (eg. control units, accelerators for e-bikes);

structural changes and function and aesthetic modifications; fixing up, replacements or disassembling without the supervision of a Lombardo retailer or the authorization by Cicli Lombardo SpA; the use of the product beyond normal conditions; user's carelessness in storing and ordinary maintenance of the product.

The vehicle is not covered by warranty in the following cases: damages resulting from accidents or negligence; maintenance because of wear, except those cases clearly due to manufacturing and/or assembling defects; all noisy, tremblings and deterioration cases that do not influence the product functionality and riding.
